

Dr. Ruud Hortensius

Department of Social, Health & Organisational Psychology
Utrecht University, The Netherlands

r.hortensius@uu.nl
www.ruudhortensius.nl / human-plus.gitlab.io

Academic appointments

- 2024 - present **Associate Professor, Utrecht University, The Netherlands**
Department of Social, Health & Organisational Psychology (permanent position)
- 2020 - 2024 **Assistant Professor, Utrecht University, The Netherlands**
Department of Social, Health & Organisational Psychology (permanent position)

2024: Senior Research Qualification (SKOz)
2023: University Teaching Qualification (BKO)
- 2017 - 2020 **Postdoctoral Researcher, University of Glasgow, United Kingdom**
Institute of Neuroscience and Psychology. From January 2017 - April 2018: School of Psychology, Bangor University, United Kingdom. Advisor: Prof. Emily S. Cross
- 2015 - 2016 **Postdoctoral Researcher, University of Cape Town, South Africa**
Department of Psychiatry and Mental Health (UCT) and Department of Cognitive Neuroscience, Maastricht University, The Netherlands. Advisor/host: Prof. Beatrice de Gelder, Prof. Dan J. Stein

Education

- 2016 **PhD *Cum Laude*, Tilburg University, The Netherlands**
Sympathy for the Devil - On the Neural Mechanisms of Threat and Distress Reactivity
Advisor: Prof. Beatrice de Gelder. Thesis available [here](#)
- 2011 **MSc, Utrecht University, The Netherlands**
Neuroscience and Cognition. Projects with Dr Dennis Schutter (UU) and Prof. Eddie Harmon-Jones (Texas A&M)
- 2008 **BSc *Cum Laude*, Utrecht University, The Netherlands**
Psychology, Major: Cognitive Neuroscience
- 2005 **BSc, University of Applied Sciences Utrecht, The Netherlands**
Social Work, focus on child psychiatry

Honours and grants

- 2025 - 2026 Fellow, NIAS-Lorentz Theme Group Fellowship, NIAS (NL) €10,500
- 2024 - 2029 Starting Grant, European Research Council (EU) €1,500,000, role: PI
- 2025 - 2026 NGF AiNed XS Europa, Dutch Research Council (NL). €80,000, role: PI
- 2024 - 2025 Open Science Fund, Dutch Research Council (NL) €50,000, role: main applicant
- 2024 - 2025 Open Science Fund, Utrecht University (NL) €15,000, role: main applicant
- 2023 - 2024 Profiling Project, Utrecht Young Academy (NL) €24,000, role: coordinator
- 2023 - 2024 Research Leadership Programme, Utrecht University
- 2023 - 2024 Open Competition XS, Dutch Research Council (NL) €50,000, role: PI
- 2023 - 2028 Member of the Utrecht Young Academy (NL)

- 2023 APS Rising Stars award, Association for Psychological Science
- 2021 – present Human-AI Student Research Project Fund, Human-AI Alliance (NL) €10,000, role: co-PI
- 2021 – 2024 Human-centered AI Small Grant, Utrecht University (NL) €16,000, role: main applicant
- 2022 FSO project Social Neuroscience, Utrecht University (NL) €15,120, role: co-applicant
- 2019 – 2021 Scientific Research Grant, Bial Foundation (Portugal) €40,000, role: PI
- 2020 Public Engagement Seed Fund, Utrecht University (NL) €4,898, role: main applicant
- 2020 Nominated for Research Culture Award, University of Glasgow
- 2019 Flexible Talent Mobility Award, BBSRC (UK)
- 2017 Creative Practitioner-in-Residence (co-applicant), ESRC (UK)
- 2017 EPS Research Workshop Grant (co-applicant), Experimental Psychology Society (UK)
- 2016 Professors' Fund (PI), Maastricht University (NL)
- 2015 Van der Gaag Grant (PI), Royal Netherlands Academy of Arts and Sciences (NL)
- 2015 Erasmus+ grant, European Commission, Education & Training (EU)
- 2014 Best presentation, International Summer School in Social Cognitive Neuroscience, Italy
- 2010 Travel grant, K.F. Hein Society (NL)
- 2006 – 2008 Honours student, University wide Honours Minor, Utrecht University

Preprints / Submitted publications

- Komáromy, Z., Lorusso, A. M., van der Wal, R. C., & **Hortensius, R.** (2024, March 1). Revealing Attentional Biases in Conspiracy Theory Believers. <https://doi.org/10.31234/osf.io/p2bgv>

Supervision

<i>Postdoc</i>	Manuel Barbosa de Oliveira (2022 – 2023)
<i>PhD student</i>	Aline Moore Lorusso (2024 – present), main supervisor <i>Funded by ERC Starting Grant</i> Ann Hogenhuis (2024 – present), main supervisor <i>Funded by ERC Starting Grant</i> Ronja Held (2024 – present), main supervisor <i>Funded by ERC Starting Grant</i> Fabiola Diana (2021 – present, Leiden University), co-supervisor, main supervisor Prof. Mariska Kret Anna Henschel, social motivation and human-robot interaction (2019-2020, main supervisor Prof. Emily Cross). <i>She is currently a project manager at Wissenschaft im Dialog</i>
<i>Student / research assistant</i>	Aline Moore Lorusso, research assistant (2023 – 2024). <i>Funded by NWO Open Competition</i> Dorka Boda, research assistant (2024 – present). <i>Funded by UU and NWO Open Science Funds</i> Hester van Beek, student assistant (2024 – present). <i>Funded by UU Open Science Fund</i> Giulia D'Angelo, student assistant on AI Helpdesk (2024 – present). <i>Funded by Utrecht Young Academy</i> Luca Leisten, student assistant on AI and psychology projects (2021 – 2022). <i>She is currently a PhD student at ETH Zürich</i> Geertje Hendriks, public engagement research project and Embodied AI initiative (2021 – 2022).
<i>Research Technician</i>	Michaela Kent, anthropomorphism and dehumanisation (2019-2020). <i>She is currently a PhD student at Western University</i>

Teaching (selection)

<i>Utrecht University</i>	<i>Coordinator</i> , Honours College Social and Behavioural Sciences (BSc) <i>Lecturer and Instructor</i> , Research Seminars and Projects in Social Neuroscience (BSc), Psychology and Economic Behaviour (BSc, past coordinator), Methods in AI Research (MSc), Advances in research in Behavioral Regulation I: Social Behavior (MSc), Introduction to Cognitive Science (BSc), AI for an Open Society (BSc), The 21 st Century and the Modern Person (BSc). <i>Supervision</i> of thesis and research projects for Artificial Intelligence (MSc), University College Utrecht (BSc), Social and Health Psychology (MSc), Social, Health, and Organisational Psychology (MSc), Artificial Intelligence (BSc), Neuroscience & Cognition (MSc), RiSE DAAD and ERASMUS+ interns.
<i>University of Glasgow</i>	<i>Developer/Organiser/Lecturer</i> , Socially Intelligent Artificial Technologies in Society year 4/PGT (BSc/MSc) module <i>Lecturer</i> , Social Robotics year 4/PGT (BSc/MSc) module <i>Supervision</i> of BSc and MSc research thesis students and interns, RiSE DAAD and ERASMUS+ interns

Professional service (selection)

<i>Editor</i>	<i>International Journal of Social Robotics (associate editor)</i> <i>Philosophical Transactions of the Royal Society B</i> theme issue <i>From social brains to social robots: Applying neurocognitive insights to human-robot interaction</i> with E. Cross and A. Wykowska (publication date: Spring 2019)
<i>Member</i>	Utrecht Young Academy (2023 – 2028).

Autonomous Intelligent Systems Special Interest Group board member, Human-centered Artificial Intelligence, Utrecht University

Athena Swan Culture Development Group, Institute of Neuroscience and Psychology, University of Glasgow (2019 - 2020)

Chair FSO project Social Neuroscience, Utrecht University, The Netherlands (2022 - 2024)
Design competition, 13th International Conference on Social Robotics, Singapore (2021)
Tutorials, Affective Computing and Intelligent Interaction conference, Japan (2022)

Organized workshop and symposia (selection)

- 2020 - present *Embodied AI*. Panel and seminar series co-organized with M. de Graaf and Z. Yumak, Utrecht University
- 2018 *Cognitive and Social Neuroscience Methods for HRI*. Workshop co-organized with E. Cross, A. Wykowska, G. Metta, and C. Becchio at the 13th ACM/IEEE International Conference on Human Robot Interaction, Chicago, USA
- 2017 *The Emerging Social Neuroscience of Social Robotics*. Workshop co-organized with E. Cross at Bangor University
- 2017 *Real worlds for virtual humans - Changing Perspectives*. Symposium co-organized with S. Seinfeld (University of Barcelona) at the International Convention of Psychological Science, Austria

Public engagement (selection)

- 2024 *Summer activities Universiteits Museum Utrecht*. Together with my team I organise a series of summer activities to engage families in our research on the use and impact of AI in the family context.
Betweter Festival. Together with my team, we take part in this science festival with an experiment on the impact of AI on group dynamics.
Family Lecture. With my team, I developed a lecture for families on our past, present, and future research on the impact of AI on individual social cognition and social dynamics of families.
Social Animal. Petcha Kutcha talk as part of KLI/ASPO public engagement event in TivoliVredenburg.
- 2022 *Breitbart Festival*. For this festival we developed an interactive game to measure reciprocity during child-robot interaction.
- 2021 *InScience Festival*. During this festival we explored decision-making during human-robot interaction
Grandpa, grandma, robot and I. Funded by an Utrecht University public engagement seed fund this project starts the conversation on the integration of robots in the social milieu of children and their grandparents
- 2019 *Public talk* at the Pint of Science Festival “How to Train Your Robot?” event, Glasgow
Panelist and speaker at the post-show discussion of “Interference”, a trilogy of near future plays by the National Theatre of Scotland, Glasgow
- 2017 - 2018 *A popularity contest in the robotic petting zoo*. As part of an ESRC-IAA funded artist-in-residency of designer Merel Bekking, I co-developed this interactive art performance. Presented as a stand-alone event at Pontio Bangor University’s Art and Innovation Centre, and as part of the 2018 Glasgow Science Festival and the 2018 British Science Festival. More info at the [Petting Zoo’s website](#)
- 2016 - present *Interview* for *BBC Radio Wales*, in Dutch newspapers *de Volkskrant*, *Het Parool*, *RTL Nieuws* website, *Radio 1*, *Radio 5*, *Radio 1 Belgium*, and *Psychologie Magazine*.

Invited conference talks and departmental seminars (selection)

- 2024
Cross-Species Emotion Research preconference ISRE 2024, Belfast, Northern Ireland
Social Robotics meeting, Delft University of Technology, The Netherlands
Social Psychology Colloquium, Tilburg University, The Netherlands
Panel discussion, European Communication Science Event workshop, Nijmegen, The Netherlands
- 2023
Work and organisation colloquium series, Erasmus University Rotterdam, The Netherlands
ESCON The Future of Psychology and Robotics, Integrative Science Symposium, International Convention of Psychological Science, Brussels, Belgium
Neurocognitive perspective on Human-Robot Interaction workshop, International Convention of Psychological Science, Brussels, Belgium
- 2022
INTERACT! Workshop, Ruhr-Universität Bochum, Germany
European Society for Cognitive and Affective Neuroscience 2022, Vienna, Austria
Human-Robot Interaction Winterschool, Gent, Belgium
- 2021
Macquarie Methods and Metascience meeting, Macquarie University, Australia
Behavioural Science Institute, Radboud University, The Netherlands
socialBRIDGES e-conference, The near-future of AI
Department of Psychology Seminar Series, University of Dundee, UK
- 2020
Cognition Research Group in Stirling, University of Stirling, UK
- 2019
3rd Human Brain Project Curriculum Workshop Series - Cognitive systems for non-specialists, UK
21st Meeting of the European Society for Cognitive Psychology, Spain
“Bystander Roles in Peace and Conflict”, Lorentz Center Workshop, The Netherlands
- 2018
4th Workshop on Virtual Social Interaction, UK
3rd meeting of the European Social and Affective Neuroscience Society, The Netherlands
13th ACM/IEEE International Conference on Human Robot Interaction, USA
- 2016
International Convention of Psychological Science, Austria
Department of Psychiatry and Mental Health, University of Cape Town, South Africa
